OLGA TRUJILLO

Hosted by **Callaway County's Sexual Assault Task Force**

Join us for this free educational opportunity!

Olga will be presenting on **Dissociative Identity Disorder**, at lunch, as well as the **Impact of Physical & Sexual Violence**, in the evening. This is an incredible opportunity for students, university faculty, mental health professionals, survivors of abuse, social workers, crisis agency staff, law enforcement, and the public.

Olga Trujillo watched as her father abused her mother for years. As she was drawn into his abuse of her mother she was also sexually abused by her father and brothers. Ms. Trujillo, now an attorney, advocate and author, underwent a journey to understand the impact the violence she witnessed and endured - from the child abuse to rapes she suffered as an adolescent and young adult – had on her life.
